Summer Complaint Quickly Relieved

"About two years ago when suffering from a severe attack of summer complaint, I took Chamberlain's Colic and Diarrhoea Remedy and it relieved me almost instantly," writes Mrs. Henry Jewett, Clark Mills, N. Y. This is an excellent remedy for colic and diarrhoea and should be kept at hand by every family.

RESOLUTION

Whereas, the State Highway Department, under the act providing for the construction of state trunk line highways, are about to construct a pavement twenty feet wide on West Superior street in the city of Alma, commencing at the end of the present pavement now on said street and running west to the city limits; on Wright avenue from the end of the present pavement now on said street to the north city limits; and on East Superior street from Euclid avenue east to the city limits, except that portion already paved from Bridge avenue east to Republic avenue; and

Whereas, for the purpose of better caring for the large amount of traffic on these respective streets and avenue, and as a matter of public improvement, it becomes necessary to extend the width of these respective pavements as follows: On Superior street west to the city limits, and on Wright avenue, north to north line of Elwell street, said pavement to be extended a total of ten feet, that is to say, there should be an extension of five feet on each side of said

twenty-foot pavement, making the total width of said pavement at these points thirty feet; on East Superior street from Euclid avenue east to Bridge avenue to be extended six feet, that is to say, there should be an extension on each side of said twenty-foot pavement of three feet, making a total width of pavement at this point of twenty-six feet; all of said extension to be finished with curb and gutter; and

Whereas, the said State Highway Department was so notified to prepare specifications and profiles of the respective streets and avenues of the said width of thirty and twenty-six feet extensions at the points above specified, as provided in a certain resolution passed and adopted by the City Commission, April 27th, 1920, and which said specifications and profiles have been so made by said department; now, therefore, be it

Resolved, by the City Commission now in session, that it is necessary and a needed and a necessary public

improvement to pave the aforesaid streets and avenue to the width of ten feet and six feet, respectively, as above set forth, and that said extensions be finished with curb and gutter in accordance with the aforesaid specifications and profiles; and be it further

Resolved, that the paving district and the lands embraced therein to be assessed for such improvement, are those lands abutting upon and adjacent to said necessary street extensions as above set forth, except as to all street intersections, which are hereby authorized to be paid, if said improvement be ordered, from the city's Special Street Improvement Fund; and be it further

Resolved, that the City Commission will be in session at its chambers in the city hall in the said city of Alma, on Tuesday, July 27th, 1920, at eight o'clock p. m. of said day for the purpose of hearing any and all objections thereto, if any, and that notice thereof be given by a two weeks' publication of this reso-

lution in the Alma Record, a newspaper published and circulated in the said city of Alma, all as provided by the City Charter. 55-2-c

Goodyear Skill—as Represented in Tires for Small Cars

The high relative value built into Goodyear Tires, of the 30x3-, 30x3 1/2- and 31x4-inch sizes, results directly from the extraordinary skill and care applied to their manufacture.

To make their quality available widely, Goodyear operates the world's largest tire factory devoted to these sizes.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking one of these sizes, you can equip it with Goodyear Tires at our nearest Service Station.

Go there for the exceptional value in these tires made possible by Goodyear's resources, experience and demonstrated expertness in tire manufacture.

30x3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread \$23.50

30x3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? \$4.50 30x3 1/2 size in waterproof bag
